

## **Clown Ministry in Bolivia**

We were delighted to hear from Roberto Ayllon, a part-time clown evangelist in Cochabamba, who wrote to tell us how his faith and understanding of God's truth have been changed through Precept™ Bible studies.

**“I thank God for allowing me to know Precept Ministries,”** Roberto wrote. **“It has really been a blessing for my life. I was surprised at how I was able to find so many riches, wisdom and knowledge from the Bible. I had never had that experience before.”**

Using his newfound Bible knowledge and his talents for theatre and, ahem, clowning around, Roberto is evangelizing and learning to disciple others. God has given Roberto a vision to lead Bible studies and to disciple others, expanding outward until the entire region has been touched by the truth of God's Word.

**Have you ever thought about how God can use your talents to multiply His kingdom?** Clown ministry might not be your cream pie, but thankfully God uses each of us exactly as He has made us. “But now God has placed the members, each one of them, in the body, just as He desired. If they were all one member, where would the body be?” (1 Corinthians 12:18-19, NASB).
